

## PD3 PVC EXTRA HEAVY DUTY DISCHARGE HOSE

The Model PD3 is a yellow PVC discharge lay-flat hose that resists kinking and twisting for use at higher pressures. It is designed as an extra heavy duty hose for water discharge in industrial and construction applications, is strong and rolls up flat for easy storage. Reinforcement includes spiral plies and longitudinal synthetic cords for excellent burst resistance. Commonly provided with cam and groove or threaded coupling fittings and hose nozzles.

Temperature range is 5F to 130F.

QTY	INNER DIA	OAL	FITTINGS	PRESSURE	WEIGHT	COIL LENGTHS
	(in)	(in)		(psi)	(lbs/ft)	(ft)
	1 1/2			200	0.48	300
	2			200	0.6	300
	2 1/2			200	0.79	300
	3			200	1	300
	4			150	1.44	300
	6			150	2.16	300
	8			100	2.56	300
